ADDITIONAL ELEMENTS

Fishing Adventure of a Lifetime

Executive Incentive/Client Retention

Reward your top executives or salespeople with an unforgettable, bigger-than-life adventure. Or show your best clients how much you value your relationship.

Corporate Marlin University

We can customize the curriculum, length and location of Marlin University to meet the specific goals of any sponsor. Our instructors can teach land based seminars as well as 'hands on instruction' in blue-water conditions. We teach boat handling, bait rigging, wiring, gaffing skills, setting up the spread, lure and tackle selection, outrigger configurations, fighting skills, how to tag and release the catch properly, how to correctly rig baits and run lines. We teach the angler to instinctively know what to do once you've hooked a fish.
